

As part of NC Medicaid Transformation, BH IDD Tailored Plans will launch on Dec. 1, 2022. With Tailored Plans, North Carolina is building on the LME/MCO's current management of BH/IDD services to include physical health and pharmacy services for Medicaid beneficiaries who have the most complex needs.

You're Invited to an Information Session for Tailored Plans.

Please join Partners Health Management (Partners) and Carolina Complete Health (CCH) for a Tailored Plan information session.

WEDNESDAY, AUG. 3, 2022, AT NOON
